v. Plaintiff,)

MARK ALLEN ISHAM,)	STATEMENT OF FACTS IN
)	SUPPORT OF EXCLUSION OF TIME
)	UNDER THE SPEEDY TRIAL ACT
Defendant.)	

Pursuant to 18 U.S.C. § 3161(h)(7)(A), I, Mark Allen Isham, the defendant in this case, agree to the following statement of facts in support of my motion to exclude time under the Speedy Trial Act.

I understand that currently, my pretrial motions are due to the Court on September 5, 2023, and a motions hearing is scheduled for October 2, 2023. However, I also understand that my attorneys need time to travel to Bois Forte to investigate matters related to the allegations charged against me. I also understand that the government has disclosed discovery in my case, and I will need time to review this discovery with my attorneys to prepare pretrial motions.

Because of this, I agree that additional time is necessary for my attorneys to conduct an investigation in Bois Forte and review discovery with me. I understand that by making this request, this two-week continuance will not count for Speedy Trial calculation purposes.

Based on the above facts, I request that the period of time from now until approximately two weeks from now be excluded from the time in which I would otherwise have to commence trial on my case.

I have discussed this matter with my attorney. I voluntarily make this request, with full knowledge of my rights under the Speedy Trial Act.
